FATHIMA BEEBEE, daughter of Sowcar FACKRODDIN, of Aldur,  
and wife of KHAZI MOHOMED OOSMAN, Coffee-planter, Golagonday  
Estate, Belagodu (Hassan District),

H. E. THE DEWAN OF MYSORE in Council.

MOST RESPECTED SIR,

With many respects and humble submission I beg to bring the following requests into your honor's favourable and kind consideration: that two of my sons—one is dumb and deaf and the other is minor. I wish to buy them some Estates for their future livelihood from my own money. My husband not thinking of the future result admitted himself in the Agricultural Bank of Hassan District and borrowed Fifty Thousand Rupees from the Bank on his own Coffee Estate, value of which at present can be fixed at about one *lac* of Rupees.

The above money was borrowed from the amount which the other members also of the said Bank of which my husband is also a member joined into a Committee and borrowed *Four lacs* of Rupees from the Government on their Estates.

From the result of the present and future rules and resolutions passed by the Committee I can certainly suspect that my sons cannot obtain anything from the property of my husband and they will have to pass their future life with great misery and difficulty.

Therefore I have obtained a certificate from the Moulavis and Khazi of our Religion according to the Muhamadan Laws, that wife cannot be responsible for her husband's credit and the husband is not owner for the property of his wife, she is able to do anything with her own property.

Now I hope for a certificate from the Government that the Estates which I wish to buy would be free from the debt of the Agricultural Bank by my husband, so that I may be able to borrow from any Sowcar for the expenditure of the future Estates.

I beg to remain,

Sir,

Your most obedient and faithful subject,

Certificate (Fathva) of Khazi herewith enclosed.
